

ENVELOPE RE

Mr. J. N. Barnett
Gloucester.
England.

Mar: 17. 92

Mena House

Pyramids. W. Cair

My dear Lillie.

I must send you a line
today, how extremely sorry we both are to
hear how ill your dear little Charlie
has been after influenza, you must
indeed have had most anxious time
of nursing. Sincerely trust that long
before this he will be much better again.
I am afraid you will be quite worn
out with sitting up etc. I hope you are
feeling well yourself and strong -
We are thinking now of leaving Egypt
