

Sir My Brother,

I have received with great pleasure the letter with which you have been so good as to send to me a complete set of the Egyptian postage stamps issued to commemorate the Philatelic Exhibition held in Cairo.

I hasten to thank you for this welcome addition to my collection and to express to you my warm appreciation of your kindness in offering it.

In cordially reciprocating your good wishes towards me and my family I would add the renewed assurances of the constant friendship and esteem with which I remain,

Your Good Brother

George R.I.
