

# EGYPTIAN STAMP EXHIBITION

Cairo 7 to 12 October 1991

A message from  
the Chairman of the Egyptian Stamp exhibition  
Cairo 1991

to any Egyptian philatelist all over the world

The 125th anniversary of the Egyptian first stamp is a tremendous landmark in the history of philately.

Stamp collecting is a hobby that helps to facilitate a deeper awareness of culture, as stamps reflect the history, politics, social customs, nature, and art of any country. This wonderful pastime allows people of different races and political systems to find a basis for exchange and for establishing friendships.

Cairo'91 offers you the opportunity of meeting fellow philatelists from around the world of examining Egyptian collections of the highest quality, and experiencing the diversity of culture through such collections. It is both a pleasure and a privilege for me, as chairman of the Executive organizing committee for the 2nd philatelic Egyptian Exhibition Cairo'91, to present to you our first Bulletin, which describes the venue, organization and special regulations relating to this Exhibition.

I sincerely hope that philatelists from various parts of the world will come with their families and friends

to enjoy Cairo'91

to enjoy our sun, our Nile.

to enjoy our art and culture

welcome to Egypt land of pharaohs,,,

yours sincerely
