

# AIR MAILS OF EGYPT

# EGYPTAIR - EARLY DAYS.

A photograph of a Languedoc SE 161 aircraft of MISRAIR flying over the Pyramids roughly from West to East, circa 1947. The Airmail stamps of 1933 show the HP 42 of Imperial Airways flying in the opposite direction

*Passé et progrès : l'avion qui survole  
les Pyramides franchit d'un seul coup  
d'aile 40 siècles d'histoire...*

The inscription reads "Past and future: the aeroplane which flies over the Pyramids clears in one leap 40 centuries of history".
