Egypt & the Sudan

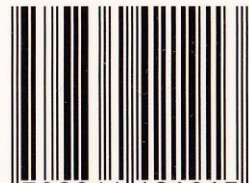

lonely planet travel survival kit

For centuries, travellers have been seduced by the magic of Egypt and the Sudan. The region's attractions are legendary: the temples of the pharaohs, felucca rides down the Nile, desert caravans, fabulous treasures, the pyramids at dawn and whirling dervishes at sundown. This comprehensive guide is the ideal companion with which to explore these two compelling destinations.

- 111 maps
- Arabic language section
- details on scuba diving, camel safaris, cycle-touring and other activities
- extensive historical and cultural background
- guide to local crafts
- notes on ecotourism
- advice on safety
